SADIE HAWKINS Reverse Sort

Ladies to invite men to the sorting. It must be a lady and a man or youth or master. Either way there must be 1 lady on the team. The class starts as all sorting classes start however at some point at riders choosing the team must re-sort until they return across the centerline from the reverse direction. Eg the team is given number 3, they sort 3,4, 5,6,7 and 8 in about 30 seconds. Then they go get the 8 and sort it back across the foul line and it is counted as 1st cow sorted at 35 seconds. Then they get the 7,6 and 5 before the time expires. Their final time was 4 cows sorted (both ways) in 59.2 secs.
